

Walton Orchestra Ladies Dresses

- All girls in the Orchestra Program will wear the same dress. Each girl will purchase her own long sleeve black stretch velvet, boat neck, empire waist dress through the Walton Orchestra Ladies Dresses Committee. Fittings and full payment for dresses will occur in the spring after the Dessert Concert for rising 9th graders and any student needing a new dress. Dresses should be able to last all four years of high school. Late arriving students entering in the fall or after will be fitted as needed.
- If a girl is not returning to the Orchestra Program, she may choose to offer her dress for re-sale to incoming girls, or keep the dress in her personal wardrobe.
- Accessories: black dress shoes; jewelry should be modest; hairstyles should not be distracting to the uniform.
- Please try your dress on as soon as you receive it and hem as needed. Dresses should be floor length. Consider the shoes you are wearing for correct alteration.
- If your height is over 5'8, specify a "TALL" when ordering (36T etc.)
- Dress label washing instructions: Hand wash cold. Lay flat to dry.
