Only one video with scales and excerpts (both on the recording) will be viewed by the adjudicators. Please title your video: "First Name_Last Name_Instrument". Be sure to mark your video as *unlisted* so that it is not searchable on YouTube. *(Please note that the video recording must have your whole body with your instrument in the video frame.)*

Step 1: Sign up for a YouTube account.

- If you already use Gmail or have a YouTube account, please sign into YouTube and skip to *Step 2*. If you do not have a gmail account or a YouTube account, please go to: <https://support.google.com/youtube/answer/161805?hl=en> to sign up for a free account.

Step 3: Upload to YouTube

- To upload, please follow the directions here: <https://support.google.com/youtube/answer/57924?hl=en>
- Make your video "**Unlisted**" so that it is not searchable by the rest of the world. *Please avoid making your video private as this will not allow us to view the video recording. Marking it Unlisted will allow us to view the video and not allow others to search for your video.*
- In order to complete the audition, please fill out the [Application Form](#) and copy the link of your YouTube video to submit on the form. Please fill out the application here: [Application Form](#)
