### Assignment

- 1) Catch up on any missed assignments. A check-list is posted in a separate document. Rehearsal skills grade will go into Synergy on Friday, so please catch up if you have missed any assignment.
- 2) Project for this week: *"Who hears music feels his solitude peopled at once."* -Robert Browning (British Poet). If you have been on social media at all you, you have seen that many professional artists are sharing their love of music through free live-streams, engaging posts, videos, etc. We even had a grandparent post on our Facebook page that they enjoyed hearing you practice at home. This week we want you to share music with someone in your life. This should be done from your house alone since we are social distancing. **You will e-mail Mrs. Grimes (Sara.Grimes@cobbk12.org) to share a paragraph reflection, video, or photo of how you shared music this week. It is due by 10AM on Friday, April 3, 2020.**

This is a creative project with a lot of individual freedom, but here are a few ideas to get your brain started.

## Digital Learning Week 3 March 30-April 3, 2020

- Chalk your driveway with Guess that Tune (photo above)
- Play your instrument over FaceTime for a relative
- Share your favorite pop song, classical piece, or other work with someone in your family-have a listening time with them-or a dance party
- Have a music sing-along with your younger siblings. See Mrs. Allyn's YouTube Chanel for an example: <https://www.youtube.com/watch?v=BE5g3LGvbU0>
- Play a duet with someone via Zoom.
- Play your instrument on your porch for people in the neighborhood that are out social-distancing walking.
- Perform a mini-concert and post it on social media.
- Host a "live watch" social media party for a music event happening on social media (i.e. Metropolitan Opera nightly livestreams, Atlanta Symphony Concert watching on YouTube.
- Making a musical instrument from objects at home to share with others
- Compose a piece of music inspired by the current events (musescore).
