

Walton High School Orchestra 2021-2022 Patron Program

~ Community Information Sheet ~

Greetings from the Walton High School Orchestra: an award winning, nationally recognized high school orchestra program that has been able to provide our students with many opportunities both musically and academically. Although Cobb County provides funds for a small portion of our expenses, our booster club, the Walton Raider Orchestra Guild (WROG) continues to depend on the success of our fundraisers in order to keep costs low for our students while continuing to succeed at an award-winning level. Thank you for considering sponsoring our program! We appreciate you. If your student liaison cannot answer your questions, please contact our board representative, Jennifer Ba, at patron@waltonorchestra.org

Thanks, _____ (student name)
