

Memorial Scholarship Information

The \$800 Memorial Scholarship in memory of Burnosky, Brennan, and Silverman is an annual award presented to a senior at the Orchestra Awards Banquet. All seniors in the orchestra program are eligible to apply. Simply write an essay which describes what the orchestra program at Walton has meant to you. There are no stipulations as to format, style, or length. Essays, however, which appear to be “last minute” have less of a chance of being selected than ones which obviously show a great deal of thought. The guidelines are intentionally vague to give you the freedom to express yourself in the most natural way.

Essays are due to Mrs. Grimes no later than your class period on Thursday, March 28, 2024.
