

## 2025-2026 Patron Program ~ Community Information Sheet ~

Greetings from the Walton High School Orchestra: an award winning, nationally recognized high school orchestra program. Although Cobb County funds a small portion of our expenses, our booster club, the Walton Raider Orchestra Guild (WROG), depends on the success of our fundraisers to keep costs low for our students while providing many musical and academic opportunities that enable success at an award-winning level. **Submissions will be accepted until September 3, 2025 so we can prepare the programs for our first concert.** If you have questions,, please contact our board representative, [president@waltonorchestra.org](mailto:president@waltonorchestra.org).

Thank you for sponsoring our program! We appreciate you! We invite you to attend our concerts this year. The first concert will be on September 11th at 7PM in the Walton Theater. Additional concerts are on our calendar: <https://www.waltonorchestra.org/calendar/>

Thanks, \_\_\_\_\_(student name)

We have 3 levels of sponsorship. Our Orchestra website's Sponsor Page will show all sponsors at every level. A QR code link to the Orchestra website Sponsor page will be provided on all printed concert programs for each of our four concerts for the 2025-2026 school year. **All submissions and payments are accepted online. Please go to our website [www.waltonorchestra.org](http://www.waltonorchestra.org) and select "Become a Patron" on the homepage.**

We are pleased to thank all sponsors at every level with:

- A listing on our Website Sponsor page.
- A receipt from the Walton Raider Orchestra Guild 501c3 for your tax-deductible donation.
- A certificate suitable for display (upon request).
